

Dear Classmate,

It was the fall of 1975. There were no CD players, fax machines, cell phones, i-pods or personal computers. We typed term papers on typewriters! Nixon was in the White House, disco was still in, as were bell bottoms and long hair, and we enrolled at Ohio Wesleyan University.

We were concerned with going to class, making friends, participating in sports, finding a fraternity/sorority, socializing and perhaps finding a major. Little did we realize then that OWU would immeasurably change our lives. These changes extended far beyond education and the classroom. We made lifelong friendships, met our spouses, commenced on career paths, learned how to make our own decisions and how to deal with the consequences of them.

On the weekend of May 15-16-17, 2009 we will again reconvene as a class, this time to celebrate the thirtieth anniversary of our graduation. Mark your calendars now. **Even if your aren't sure right now about coming back, put the dates on your calendar anyway.** That way you can plan around the weekend as your calendar fills up. Save the date!

The weekend will include the usual alumni events such as the parade of classes, a Friday night all-alumni reception with food, drinks and live music, alumni classes, the all-alumni luncheon on Saturday at noon, and the signature event, our class reunion dinner on Saturday night. There's even a post-reunion dinner, all-alumni "Social under the

Stars” with more food, drink and entertainment to top off the evening. So come back to renew old friendships, see how the years have treated us and have a great weekend.

More details about our plans will be coming to you in the mail and you can always access reunion information at the university’s reunion web site at: <http://weekend.owu.edu>

Things to do now:

- Complete and return the alumni questionnaire in the envelope provided. These will be compiled into a notebook which will be available for perusal during the weekend.
- Contact the Alumni Relations office with information on “missing” classmates on the enclosed list.
- Support the annual fund by returning the enclosed card and making a gift.
- **Save the date – Save the date – Save the date -- May 15-16-17, 2009**

Be on the lookout for more reunion information in the up-coming months. And, for those of you who send holiday cards to classmates, don’t forget to let everyone know you plan to come back and encourage them to do the same.

We hope to see you all next May.

Sincerely,

Class of 1979 Reunion Committee
